

Inspection Service Evaluation

HomePro Systems of Delaware Valley, Inc. is always trying to improve our services. Please complete this evaluation form. Please check the answer that best describes your opinion:

The Inspector:

1. Explained the reporting system to me:
 Carefully and Completely Somewhat Vaguely
2. Looked at and checked everything:
 Carefully and thoroughly Reasonably well Somewhat
3. Increased my understanding of the property and its qualities:
 More than I expected Very much Somewhat
4. Increased my understanding of required maintenance:
 Very much Somewhat Very little
5. Could be characterized as:
 Conscientious Inattentive Not very Reassuring

The Service:

- Was well worth the fee Was a good value Was overpriced
- Will Will not be strongly recommended to others

My primary reason(s) for having a Home Inspection was/were: _____

The services provided: Were Were not responsive to those reasons

I do do not understand the need to act on the inspection, follow-up with specialists, ask questions of the seller in writing and perform a comprehensive pre-settlement walk-through inspection.
